

PREMIUM COMMERCIAL LUMINAIRE

FUTCHA LED ILLUSION TROFFER

The Futcha LED ILLUSION not only offers exceptional performance, it also gives an excellent lit appearance.

FUTCHA LED ILLUSION TROFFER

The Futcha LED ILLUSION Troffer range is a premium commercial luminaire designed for maximum performance and comfort using combination of louvred and diffused luminaire optics. The side lit panels create the illusion of a direct and indirect architectural fitting.

FEATURES

- Low glare, high efficiency louvre combined with illuminated diffuser panels on either side of louvre
- Sturdy low profile steel body, powder coated, phosphate pre-treatment
- Supplied with a standard 1.5mtr flex and 3 pin plug for easy installation
- Latest LED technology with an impressive rated average design life of 60,000hrs to L90
- Precise optical control, with a high LED performance of 105 Lm/w
- Outstanding Luminaire Glare Rating
- Special intensity distribution to suit Green Star applications
- Designed for a standard T-Bar grid, also suitable for plaster ceilings using Plaster Master frames
- 5 years warranty
- DALI available on request
- Available in 1200x300 & 600x300, other sizes available on request

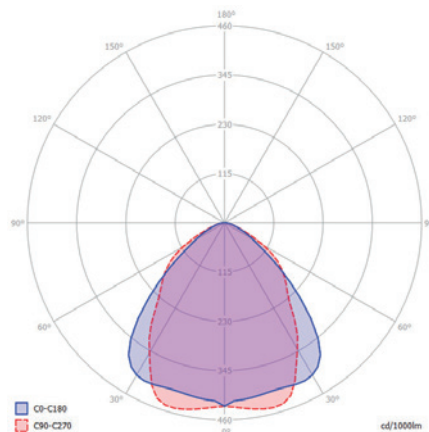

BENEFITS

- Excellent performance whilst achieving a good lit appearance
- Ideal for Green Star projects and areas with low UGR requirements

SPECIFICATIONS

- Available in 4000K colour temperatures (others on request)
- Available with air handling and air return capabilities upon request
- UGR < 19
- IP20
- Ta25

APPLICATIONS

General commercial interiors, office, particularly BCA compliant areas and corridors
