

NOSTALGIA SERIES

DECORATIVE (CATEGORY P)

FEATURES

- 26W CF - 80W HID lamps
- Nostalgia mounting bracket
- Integral 250V HPF control gear

KEY APPLICATIONS

- Roadway (P)
- Pedestrian
- Outdoor Car Park
- Amenity

The Sylvania Nostalgia Series presents the opportunity to create modern, energy efficient street lighting systems, whilst maintaining a nostalgia period appearance. A curved bracket arm is fastened to the support pole by a solid cast decorative flang supporting the simply curved bracket arm, to which the fixture and an appropriately shaped canopy is attached.

The unobtrusive optical system ensures an efficient light distribution. Metal Halide light sources are available with ignitor reactor gear. The Nostalgia fixture is a complete integral unit with lamp and control gear easily accessible for maintenance and is supplied packaged as luminaire, canopy and curved bracket arm. PE cell control is available. To fit pole spigot 76.0 O.D. Complementary to this series of luminaires is a range of Sylvania Estate Columns.

LUMINAIRE CONSTRUCTION

- Pressure die-cast aluminium body with spun aluminium canopy
- IP54 optical & gear chamber with acrylic refractor
- Post top mounting bracket fits 76mm OD pipe
- Black polyester powdercoat finish as standard

OPTIONS AVAILABLE

- D2 type photoelectric control switch
- Glare shield
- Polyester powdercoat finish in various colours
