Pierlite Deluxe LED Batten
The quick fit LED batten with emergency option

The Pierlite Deluxe LED Batten has just got better. This 'quick fit' product now comes with emergency and DALI dimmable options.
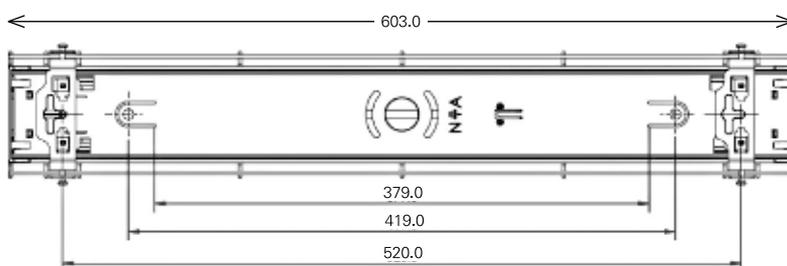

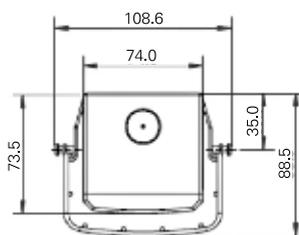

Pierlite Deluxe LED Batten

The Pierlite Deluxe LED Batten has been designed with the installer in mind. The quick to install one piece LED module is easily removed by simply unclipping the captive end caps and unplugging the internal flying lead.
The wire guard option offers good impact resistance, IK09. The opal diffuser has been specifically designed to offer the best light output whilst ensuring excellent uniformity.

Features

- 20w or 40w, IP20, CRI＞80.
- Textured opal diffuser, allowing an even distribution of light output.
- 20mm knockouts for conduit or cable glands.
- Easy to install with un-pluggable LED module and captive end caps.
- Insect proof sealed LED module.
- The wide body allows covering up of conventional batten fixing points.
- In built wire suspension capability.
- End to end mounting possible.
- Wire guard option available.
- IK06 standard, IK09 wire guard option.
- DALI Dim and DALI Rapix options.

Benefits

- Energy efficient.
- Easy to install, saves time.
- Complete solution.

Key Applications

Commercial spaces, warehouses and general emergency lighting.
